MEDAL OF HONOR

FOR
OUTSTANDING
SERVICE
ABOVE AND
BEYOND
THE CALL OF
DUTY

Imaginary wings hover lightly on the shoulders of Mrs. Virginia Gleason, head of the Homemaking department. It is with fond affection that we award her our highest tribute, and dedicate Cavaleon 1954 to the all inspiring lady of our choice.

When freshmen enter her classes (base of operation) they receive a wealth of both practical and theoretical knowledge which will equip the majority of our girls for their eventual destiny as homemakers. Mrs. Gleason's students learn everything from hemming teatowel, burping junior, to interior decorating.

A traditional fashion show which, the first year classes present, is one of the highlights in our social season. Her neophytes all seem to emerge with more social graces and undefinable chic, than even they could imagine.

Aside from her many other jobs, she has a profound influence on her famous homeroom—the nucleus of her intense interest in school affairs. Years elapse, but the swiftly fleeing time leaves our dauntless lady seemingly untouched, may we add.

It is with the greatest admiration and affection that we salute Mrs. Virginia Gleason with Cavaleon 1954. Now we can confidently dip our wings with a job well done and soar onward and upward.

P.T.A.

This year, the largest P.-T. A. membership was achieved with the enrollment reaching 2050 members. Six meetings constituted the program for the year, and the theme "Character Comes First" was emphasized at each meeting.

Among the projects that P.-T. A. participated in were: helping in securing three new boys' service clubs; aiding the clinic with student physical examinations and the Tuberculosis Mobile Unit crew in x-raying the students and faculty; sponsoring a fried

chicken dinner, the proceeds of which went for student and school needs; and improving safety, grounds, library, and health requirements.

Sitting — Mrs. Melbourne Martin, Mrs. Paul Brinson, Mrs. Alfred Eldredge, Mrs. Kenneth Wittich, Mrs. Michael Yurko, Mrs. Wyatt Alexander. Standing — Mrs. Frank Capers, Mrs. R. A. Rasco, Mrs. Palmer Niles, Mrs. Roger Eikenberry, Mrs. Joe Creal, Mrs. Thos. Johnston, Mrs. Edward Soboda, Mrs. James Catlin.

Seated—Mrs. John Rosasco, Mrs. T. E. Huggins, Mrs. Paul Whitney. Standing—Mrs. Wright Pearson, Mrs. E. B. Poorman, Mrs. M. G. Flannery, Mrs. John H. Halliburton, Mrs. George Roerig.

Seated—Miss C. Young, Mrs. John Rumball, Mrs. Richard Strain. Standing—Mrs. W. A. Snare, Mrs. Julian Jordan, Mrs. Lewis Lindsey, Mrs. Roy Jensen, Mrs. Wendell Thagard.

Mr. H.N. Rath

Every large base of our size has its top fliers, but we are lucky to have a Jet Ace on ours — Mr. Harry N. Rath, principal. His years of experience and wisdom help to make our hangar well co-ordinated and the great field that it is.

This distinguished looking gentleman is always on the go supervising the numerous activities around the area, both scholastic and civic affairs. However, he is never too busy to listen to individual problems or to strive to initiate some new idea which will benefit the majority of our crew. Yes, this is Mr. Rath our top man and also, the principal.

Mr. Cook:

Man behind the gun—our own Mr. Edward Cook, holds the prop-stick (Don't get excited, no willow switches today!!) as Dean of Boys.

None envy, calm and serious Mr. Cook this arduous task. Would you be responsible for 1300 high school boys? You're right, but nothing fazes him.

Mr. E. Cook

Miss Christine Young:

Technicians with an abundance of know-how and superior intelligence are essential on base of our size. For example, of all our well trained instructors Miss Christine Young rates a number 1—she is our Dean of Girls.

An intricate secret code system (Red tape) is hers to command and interpret. Fortunately she is capable of gliding smoothly through some of the most fantastic of problems.

Bemuddled and besmudged, gaunt, half-dazed creatures sit for decades on end diligently and not so diligently pounding out copy for our yearbook. There's the cry of our harassed Amazon—Ellen the infamous editor with some more hair-brain ideas plus ten million threats anew to meet the dread line!! And so goes the never ending race against time and the never ending feuds which adds to the constant tension behind the production lines. In the distance we can see and hear Nina trapping another unsuspecting victim to make his down payment . . . "now or never" . . . resulting in the selling of 1700 Cavaleons.

There was never a senior class to boast so many simply GREAT individuals, ask either Betty Sue or Phyllis as they try to convince some "Big Name" that a 75th correction of Senior biographies is impossible.

"I hate you," mutters "half-pint Carrero" in hot pursuit of one Sari. Then there are our illustrious Jan and Carol—who can't quite count. They numbered the entire sophomore section wrong.

Belligerent and greener by far than the usual run of the grist—the Frosh were with us again this year, ask JoAnn. Not every yearbook can feature a femme fatale for its sports editor. True we still can't convince Vieve there are some places she just can't go—locker room interviews, etc. As we glance over the campus we see Sharron and Ken doing head stands outside the auditorium for another novel shot for school life.

Teachers have hit an all time high—we've given Joyce A for effort. The air is static with wild and incoherent shouts as Tony calmly juggles the ads with Annette in the background sipping India ink through a straw. A forlorn Ann shouts more comments—"why do you need copy and what have you lost now?"

These are but a few of the things behind a yearbook. We love and hate each other at spasmodic intervals and on infrequent occasions, but we wouldn't trade jobs for the world!!

A mad scramble to meet deadlines . . . will we go six or eight pages? How much advertising is there . . . PLEASE write me a funny feature . . . who's the Phantom Stroller? . . . And so it goes, a challenge to time and copy each time Highlights goes to press. Highlights is the students publication, about, for and by him. It represents his work, talent and ideas. Those who work, and work hard, begin to regard it as almost human. Tears are shed, sleep and sometime even friends are lost, but some force keeps the staff moving to the obligation they owe to its readers to make each issue of Coral Gables Highlights better, more attractive than the last.

The days of supersonic sound, hydraulic pressure, atomic energy and Coral Gables High school has arrived. Who would have thought a hundred years ago that we would be living in an age of push-buttons, jet propelled cars, and capsule diets? Who would have thought that the little red school-house would be replaced with the modern beautifully equipped cement edifice of today; and that the student of today would be the lavishly dressed and transported person he is?

Gables High zoomed on the horizon of reality only four years ago, groping, new, and with a name and tradition carried over from Ponce to uphold, and surpass.

Our colors departed from the traditional Spanish red and black to sedate and distinguished grey and crimson; our emblem, designed by our principal, Mr. Harry N. Rath, represented the progress we had made and the standards we would labor to uphold. Even as our school grew in its physical size, its number increased also. The 1951 graduating class numbered 280 from a student body of 1987; while 560 students graduated in 1954 from an enrollment of 2737.

Besides the standard four r's of education, Coral Gables has incorporated into its curriculum such subjects as stylistics, and Diversified Co-operative Training, which, along with the various courses in manual training, give the students opportunities to work and develop skills while still in high school.

Our music, drama, and art departments offer advantages to students to train, compete with other schools and win top honors in all fields. The golf, tennis, and swimming teams of Coral Gables have received national acclaim, and the Fighting Cavaliers have climbed the Big Ten ranks.

Teen-agers paradise . . . that's Gables High, signified by the falling snow-flakes of the annual Junior Girls formal; the kicks of the frivolous Mardi Gras Can-Can line; a prom that

gets bigger and better each passing year. "Won't you come to my tea?" and "Is this dance hag-drag, stag, or drag or all three?" are questions common to the lips and ears of Gable-ites. Where once there were only Wheel, Beta, Junior Girls Omega, and Key clubs there have now mushroomed up Anchor, Tallet, Debs-Juniors, Trilon, Co-Eds, C, L, Crescent, these, mind you, besides all the honoraries.

In all phases of student life from the social view to the scholastic, Coral Gables Senior High school exemplifies and has made its mark as the jet-propelled "school of distinction" today, tomorrow, and always.

The graduating class of 1954 of Coral Gables Senior High will always be remembered as the "Blue Ribbon" class. It was the first to complete, without much trouble, the fascinating four year course at the School of Distinction.

Unlike the classes of other years, the '54 class had no traditions to follow. The class had to set its own patterns; start the traditions to be followed by the classes of tomorrow.

The Frosh of 1950 had to break in a new school. They had to adapt themselves and make new customs. The Frosh of '50 chose Joe Atwood as their leader. They made a good choice. The class immediately began to work on plans and new ideas which would pay for the Prom of 1953. The Freshmen class was new at Gables. Its members had to get used to bids, clubs, dates, the band, and the new and spectacular Cavaliette uniforms.

That Freshman year was one for meeting new people and ideas, but it did more than that, it started the way of life for all the future students at Gables to follow. The Sophomore year wasn't too bad after that. The "Square and Round Dance" was quite the thing that year, but everyone was overwhelmed by the new sensation called "Gables Grams." They were spectacular.

Gables' Grams, Valentine Dance, and the Prom were the things most talked about in the year when everyone officially became upper-classmen, the Junior year. No one will ever forget the spectacular "Japanese Ball" Prom. Bill Stack, class president, and his crews, did a wonderful job on decorations and planning, but the entire Junior class made it the wonderful success it was.

On June 4, 1954, the Senior class, after reminiscing over "Proms, Skip Day, Shamrock Sale, and Commencement," as every following class will do, left Gables knowing that it was the class of new traditions, the first class to graduate from Coral Gables Senior High.

FALL

Just taking off into a busy Fall,
We went to football games, parties,
and such,
But we wish we'd studied just half as much;
Oh well, our scholastic, plus, social whirl
was quite a haul.

Fall . . . the exciting months of September, October, and November. So much was going on . . . football season again . . . seeing all the gang once more . . . so-o many students . . . and — they started our fabulous new auditorium! The lines to buy lockers were so long that some people thought it was a blood bank. The BIG SISTERS CLUB gave a very professional fashion show for the frosh girls. Our wonderful football team gave us thrill after thrill. It seemed as if every civic club in school was selling something . . . pom-poms . . . G letters . . . Omega-phones . . . pixies . . . beanies . . . decals . . . auto-tags . . . the poor frosh—their money went so fast!!

Everyone got lost the first week, frosh and seniors included . . . they really did shuffle those classrooms around. HIGHLIGHTS came out bigger and better . . . but oh, those poor editors—putting out the paper at 7:00 in the morning! The dances were colossal to say the least. We had our share of seasonal sweethearts too, . . . Bill Weaver, Ken Umphrey, and Alfred Eldredge. Ouch! those first report cards . . . There's no doubt that everyone in Gables had his I.D. picture taken . . . however, there are some who think that they rushed the people through a little fast . . .

1. Cavaliers spurred the season on . . .

2. Freshmen—buy a . . .

3. The beginning of the end . . . our auditorium . . .

4. Locker lines grew, and grew, and grew . . .

5. Our Big Sisters dressed in fashion . . .

6. Cavaliette sweetheart . . .

7. Campaigns got hotter . . .

8. Oh, how I hate to get up in the morning . . . to sell papers . . .

9. Bless our little goalpost . . .

10. Lost and confused? Room numbers will change . . .

11. First report cards . . .

12. Land Ahoy . . . at the Shipwreck Dance . . .

13. Save yo' confederate money . . . hon . . .

"Magnificent" was the only word to describe Gables Homecoming Week . . . our lovely Queen JEAN DERISO and her court . . . Sandy, Rosalind, Karen, and Jeani . . . the parade was changed to a victory inspiring motorcade . . . and the climax of it all was our greatest victory — we beat Jax! (and we've got the goalpost to prove it!!) . . . Civic club bids . . . rounding out a busy fall.

1. On the rush of I. D. pictures . . . need we say more?
2. Ouch! She stuck me!
3. Our motorcade was re-activated . . .
4. Homecoming Queen and her ladies . . .
5. Why no—our teachers are all normal . . .

Our year was saddened by the death of Bettie Jean Sams, popular member of the junior class. Taps echoed through our corridors on February 8, 1937-1954

With the election of their officers, the Junior class started their flight through their most active high school year. We chose Jim Thompson as president; Bob Lau as vice-president; Betty Sutton as secretary; and Nejhie Bosque as treasurer. With sonic speed we started our list of activities with a meeting of all the presidents and treasurers of junior home-rooms. During this meeting, the Junior Class Cabinet was chosen.

"Pigmy" Welch represented our class on the calendar again this year. By participating in the selling of singing telegrams, we received all of the profits from this to help with the prom's cost.

February 13 was the date of our "King and Queen of Hearts" dance. It proved to be a huge success with the theme, Valentines Day, carried out to its fullest. The centerpiece for the stage was a huge, white lace heart; the tables were decorated as big Valentine boxes; and cupid's and hearts seemed to be everywhere. A crowd of breathless onlookers saw King Bob Lau and Queen Sondra Welch crowned. Soon after our dance came the selling of crimson and gray pennants, another money-making project.

And then . . . the Prom! Given at the Bayfront Auditorium on May 14, it was a dance well worth all the hard work put in by the junior class and its sponsor, Mrs. Nell Hill. As we read the first copies of the Cavaleon, we can still remember the swish of long dresses and the excitement of crowning the King and Queen.

The future looks bright, for, as Seniors, our class is assured of an even more successful year. We look back on the activities of the Junior Class with a great deal of pride.

Vice-President, Bob Lau; Treasurer, Nejhie Bosque; Secretary, Betty Sutton. Standing: President Jim Thompson.

WINTER

Winter . . . brought those glamorous months of December and January. December began with the thrill of having the new members in civic clubs . . . and having new civic clubs! Our wonderful football season drew to a close . . . the final one for all seniors . . . and basketball began. They moved Student Teacher Day up several months—so that the student teachers could learn more . . . the seniors sang their last telegrams . . . it was a wonderful project for 3 years . . . the holidays came quickly (and passed just as fast) . . . the Christmas Season was topped off by the J. G. formal . . . Snow Ball Fantasy . . . the memories will linger for a long, long time . . . the drama department presented their very professional performance of ARSENIC AND OLD LACE . . . the Charity Ball donated their profits to the Lend-A-Hand fund . . . our wonderful alums went back to college . . . over half the senior girls looked blue . . . the N.F.L. calendars came out . . . with 14 calendar girls! Our auditorium kept going up and up . . . pretty Rosalind Rush was an Orange Bowl princess . . . Lettermen picked their sweetheart—Margie Mordaunt, and sponsors Carolyn Shafer and Shirley Andersen . . . more sweethearts came from Key Club . . . Jane Bruce, Nina Koger, and Betty Sue Hoyt . . . everyone was collecting money for something . . . at least a million people received their Gables letter . . . some of the boys lost theirs too . . . that time of final exams rolled around once more . . . the seniors were kind of relieved though, they were through with finals after this . . . that week brought its consolation too, the college crowd returned to town . . . the Tallet club closed January with their Anniversary Ball . . . where they chose as the Six Boys of the Year—Roy McLeod, Ed Harrison, Don Musselman, Jack Kelly, Bill Stack and Ken Umphrey . . . it was a very warm, and pleasant winter, don't you think?

Now we've picked up speed for an
 unforgettable Winter,
 Our teachers have never been tougher,
 though we still had winter splendor.
 It wasn't very cold—you must admit,
 But, everything we did became a hit.

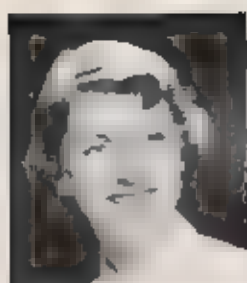

- 10 Make that basket
- 11 Progress on our auditorium
- 12 Red letter day . .
- 13 Another Gabes beauty becomes royalty
- 14 Six boys of the year . . with girls of the hour

*We're coming in for a landing,
'Cause it's all over now —
Four years of head aches, heart aches, and fun,
But, we're awfully sorry it's all done.*

SUMMER...

1

Summer . . . washed in the gam-orus months of May and June (in school) . . . they brought mixed emotions though, in a way we were happy—because we'd worked so hard . . . but, some were sorry because they were leaving . . . for the last time . . . the seniors didn't have much to do but loaf around, all of their work was behind them . . . at long last our (there are no adjectives to describe it) auditorium was becoming finished . . . the drinking water lines got longer . . . club activities were beginning to simmer down . . . but social activities really started building up . . . the Cavaleon came out . . . the poor old editors just sit back, body broken, and mind weary—with a smile on their faces . . . they got it done again . . .

Those final exams rolled around again for all underclassmen . . . the 1954 prom, put on by the hard working juniors . . . for the ever loved seniors . . . the climax of the entire year . . . last report cards for freshmen, sophomores, and juniors . . . and a tearful graduation for the seniors . . . the entire year brought many heart-aches, heart-breaks, and thrills . . . but, nothing so big that it won't be healed over the remaining summer months . . . and we'll all be ready to start the same mad whirl all over again — comes September . . . whether it be at Gables or some distant college . . . Goodbye 1953-54 . . . and Nature, thanks for those four wonderful seasons. . . .

6

6. Now come, you must look serious . . .
7. But, yearbook and paper editors always look like this at the end of the year . . .
8. Hooray! I WILL graduate in 4 years . . .
9. Some people are just poor losers . . .

This has been a memorable football year for Gables High; the end of one era and the beginning of another. It has seen the Cavaliers premiere into Big Ten competition—the bitterly contested, heart-breaking opener with Edison; the thrilling upset of Jackson in a never-to-be-forgotten grid life—the goal post crashing down—the parade down Flagler . . . And finally, after years of waiting, the Cavs entrance into the elite "Big Three".

Cavalier team that refused to be men and poor practice into a much feared experienced bar. Small, not to be recorded.

LINKERS PRACTICE

Although the off-season has been a busy one for the linkers, they have managed to find time for practice. The team has been working hard to improve their skills and prepare for the upcoming season. The practice session was held at the school's gymnasium and was attended by all the linkers. The coaches were very pleased with the team's performance and look forward to a successful season.

Cavaliers Climax Greatest Season

This has been a memorable football year for Gables High; the end of one year and the beginning of another. It saw the Cavaliers premier into Big Ten competition — the bitterly contested, heartbreaking opener with Edison; the thrilling upset of Jackson in a never-to-be-forgotten grid tilt — the goal posts crashing down — the parade down Flagler . . . and finally, after years of waiting, the Cavs entrance into the elite "Big Three," changing the record to read "The Big Four."

It saw an underdog Cavalier team that refused to be stopped by injuries to key men and poor playing and practice conditions develop into a much-feared football powerhouse. It saw 45 boys, tabbed by experts as "too green, too small, not experienced," win an uphill battle for state wide recognition and place in the top ten teams of the state and in the top five in their conference in their first year of competition.

It saw new names added to the Cavalier brochure; such near famous names as Weaver, Atwood and other names — not so famous . . .

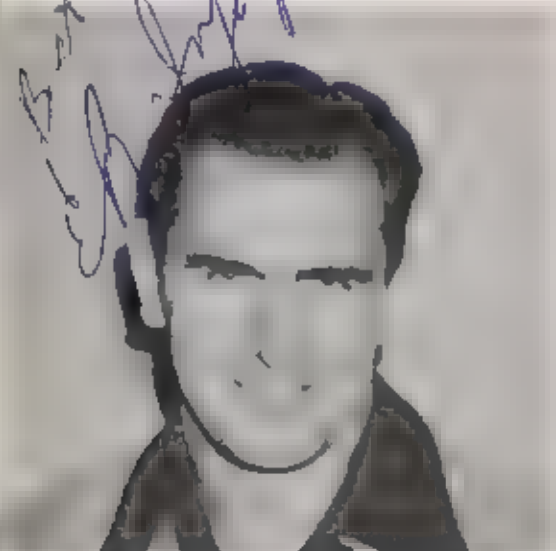

And above all, it saw school spirit, a spirit that proved to be unquenchable even in the torrential downpours that plagued the Cavs through early season games; a spirit that constantly braced the gridgers, bucked them up, and gave them the moral support necessary to achieve their goal.

Throughout the season, in victory or defeat, the Cavs showed the intestinal fortitude and determination that constitutes a truly great team. Gableites can well be proud of the showing made by their gridgers. CAVALIERS — WE SALUTE YOU.

ED STOECKEL, defensive backfield coach, also is our head basketball coach. Coach Stoeckel comes from Buffalo, N. Y., where he attended high school. Coach Stoeckel graduated from Springfield College in Mass., and coached at Niagara University in his home state.

BOB LUZADER, also from Ohio, attended the University of Miami, where he received a Bachelors Degree in Physical Education. He is our Freshman Football Coach and is also in charge of Frosh intramurals.

REX SHIVER, our only "local boy," attended Jackson High School and the University of Miami. While at the University, Rex made Honorable Mention on many All American teams.

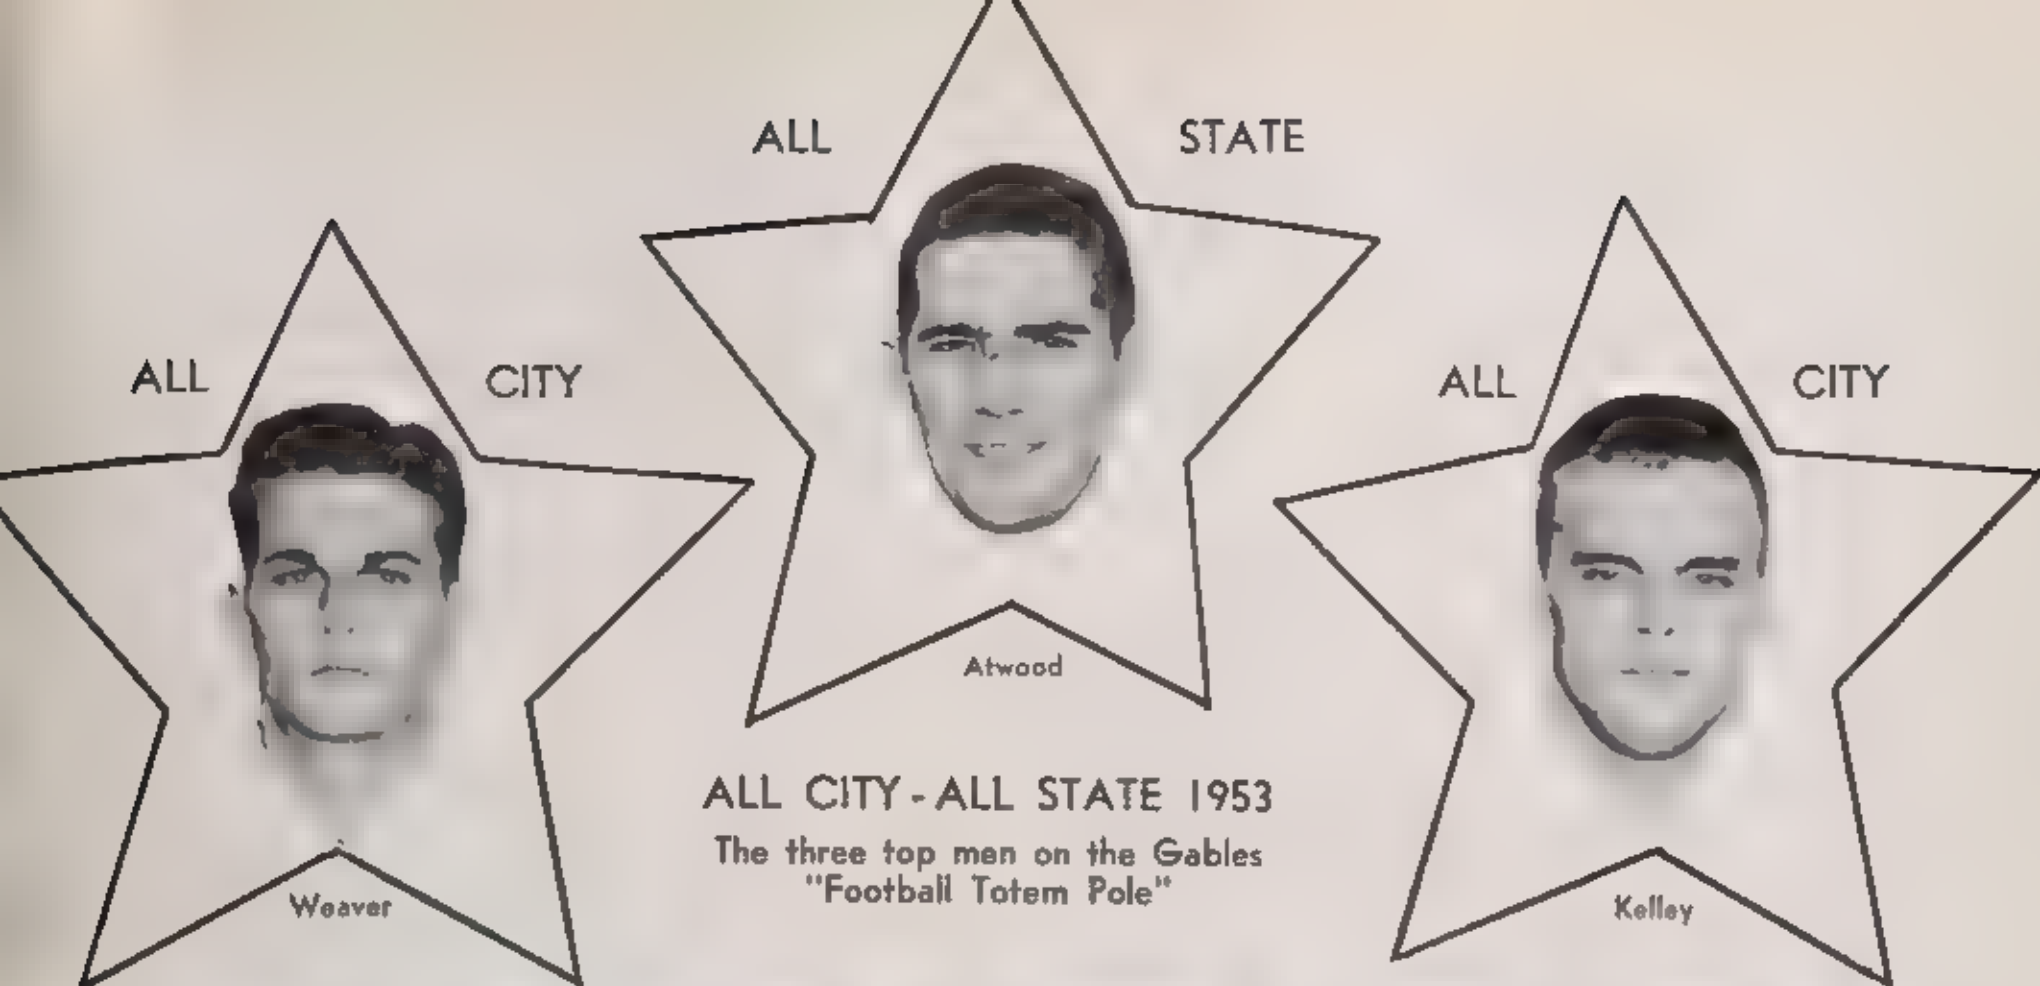

JOE KRUTULIS, a native of North Braddock, Penn., attended the University of Miami where he lettered in football, baseball and basketball. After graduation he coached freshman football at the University and at Ponce before coming to Gables.

The three top men on the Gables
"Football Totem Pole"

1953 Cavalier Varsity Seniors

They gave Gables the
greatest season in his-
tory of the school.

Left Cavalier end Jack Kelley (83) breaks up a pass intended for a Stingaree back 'n the Miami High game. Above: Gableites go wild as the gun sounds ending the Jackson thriller. A few moments later the goal posts crashed down. Below Coach Nick Kotys gets a victory ride on the shoulders of his conquering gridders climaxing the greatest win

ever by a Gabes team. Upper right: Back Ed Harrison closes in on a Hillsborough ball carrier. Center right: Bill Weaver totes the mail against Broward as Joe Atwood heads interference. Lower right: The stalwart Cavalier line holds as Lauderdale bids for a TD.

Cagers Complete Victorious Year

Swish, the ball drops through the hoop, the scoreboard registers two points and the crowd cheers and the Cavaliers are off to another fast hard fighting season. This year is the first year in Big Ten Competition and with a top notch slate of returning lettermen the Cavaliers were destined to make their place in the files of the 1954 Basketball season.

Leading off the slate of returning lettermen was Ronnie Mayuiers, who was a startling man on the fast breaks and lay-up shots, his height measures an even 6 feet. Ronnie is one of the exceptional shooting aces of the city.

Big Red Anderson measures 6'4" and is a leading man on retrieving rebounds. This is his second year of Varsity ball and will be greatly missed next year.

Fred McClintock plays a terrific game as forward and has added many points to the Cavaliers in early season play.

Burr-headed Bob Steiner is the tallest man on the squad and is a permanent fixture in the center position. Steiner stretches to a tall six-foot-five and is one of the most colorful players on the squad.

Warren Quillian checks in a 6'2", and is always active at the closest minutes of the game at his forward position.

Herb Gonzales doesn't let a little thing like height stop him in his efforts. He can always be seen racing down the court to foil the efforts of the opponent. Herb measures 5'9".

Excelling in every sport he tries is Jack Langer, who can hit a baseball just as well as he sinks his field goals on the court. On the court Jack is always snatching balls and driving in for the score.

One of the hardest hitting players on the squad is Ed Harrison who is always full of fight till the final second. Despite his timid nature Ed is always filled with that sparkling determination to win.

Jack Gerber has long been a familiar sight on the court as he has baffled our opponents for the last three years. He has earned a Varsity letter for each of his years of play.

Rising through the ranks of Jr. Varsity ball to the top, is Bob Winzork who has been used to decided advantage in his forward slot.

Taking up the duties on the center slot for Bob Steiner is Bob McGowen who controls a nice hook shot. Bob measures an even 6'5".

These boys will be greatly missed next year and a great deal of praise and credit is due for the fine work they did this season.

Ed Stoeckel

Husky Ed Stoeckel has for the second year coached the Cavalier hoopsters into a Big Ten powerhouse.

Coach Stoeckel hails from Buffalo in the Empire State where he attended high school. After graduation from Springfield College in Massachusetts, he entered the service where he learned his basketball techniques. He held his first coaching position at Niagara University where he coached football. He then returned to his home town before coming to Gables.

The arrival of Coach Ed Stoeckel coincided with the departure of head basketball coach Charles Ponsalle. Ed Stoeckel then took over the job of head mentor. This man has done a great job of breaking Gables into the Big Ten Conference.

Once again the familiar sound of bat meeting ball was heard from our athletic field. Coach Joe Krutulis and his baseball aspirants practiced long and hard to whip the team into shape and it seems that their efforts paid high dividends.

This year the team was built around the six returning lettermen, who provided most of the power at the plate and shouldered most of the pitching chores.

A brother combination of Joe and Tommy Atwood pulled many a game out of the fire for the Cavs. Tom on the mound and Joe behind the plate was the formidable battery that mowed down enemy batsmen by the dozen, and, when the going was tough, often Joe would shuck his catching equipment and assume the roll of pitcher.

In the infield, Jack Langer, Herbie Gonzalez, and Tom Pendray played errorless ball. While basically a shortstop, Langer saw double duty, on the mound and serving behind the plate in emergencies. Gonzalez earned the respect of many for his fine performance on the initial sack and the playing of Tom Pendray in the hot corner was equaled by few.

Starring in the outfield as well as at the plate was Ed Harrison, whose shoestring catches and spectacular heaves are matched only by his prowess at the plate.

From the opening game in March, right down to the wire, the Cavalier nine has displayed the determination and spirit that characterizes all Coral Gables teams, in all fields of endeavor.

Cindermen Excell in Track, Field Events

Gables track team, not one to be overshadowed by the great performances of the gridgers and cagers, came through in true championship form this year and added another page to the Cavaliers already bulging scrap-book of success.

Coach Ed Injaychock, veteran mentor of the cindermen, developed several outstanding hurdlers among whom were Dick Murphy, Ernie Knighten, Jim Thompson and Tommy Chivers. Outstanding high hurdle man was Bill Weaver, who was equally devastating as a sprinter.

Top weight man was Bill Stack who averaged 140 feet per heave with the discus. Success in the relays must be attributed to the inspired performances of Jack Kelley, Mel Christman and Bob Prendergast. Fleetfooted Jim Colburn served commendably in the sprinting department along with Lee Collins.

Long distance runners included Joe Norton, Marvin Barnhardt, Jim Rudolph and Garry Hoyt. Supporting these men was a host of newcomers including Ken Ball, Bob Fordyce, John Griffiths, Jim Crowder, Henry Lowery and Tom Evans.

Long, hard hours of practice paid off for these boys. Through their unselfish contribution and sparkling performances the Coral Gables cindermen have continued the winning record set by other Cavalier teams.

The Cavalier swimming team, which exploded into prominence last year by defeating Fort Lauderdale, is now rated as the number one team in the state.

Senior boys grace this year's roster, and it is mainly through their efforts that the name of Coral Gables High has been etched in state swimming history.

College coaches, who, before this year, had never heard of Gables High, have made countless scholarship offers to many of the outstanding Cavalier tankers. Leading the mermen in this most successful season are freestylers John Delburn and Walter Rose.

Netters Rank First in Big Ten Conference

Coral Gables has a Tennis Team to be proud of. This year they have matched last years record of copping the state, district, and Big Ten championships and continuing their winning streak. The girls team has done well, earning the State Championship in '52 and runner-up in '53.

Leading the boys team this year is Jeff Arnold, followed by Bob Rohe, John Skogstad and Bob Macy. Pacing the girls team are Jeanne Teslof, Marilyn Stock, and Barbara Mitchell. The schedule this year included such formidable rivals as Fort Lauderdale, Miami Beach, West Palm, Key West and all the schools in the Miami area.

Golf Team Victorious

Under the capable direction of Coach Clarence Drepperd, this year's golf team has matched the undefeated record of last year's champions. This is Coach Drepperd's second year as golf coach and he has done a fine job. By playing with the team himself, in practice matches, the coach has given the team the incentive to practice and to win.

This year the team is captained by Al Duhaime, who led the linkers in their victories last year. All six members of the team are fine golfers, as was proven last year when they were state runners-up.

For the first year, Gables has a girls' golf team. All of the girls have had tournament experience, which has helped them greatly in their matches. Leading the girl golfers is Glenda Felkner, who represented Gables at the State meet last year.

Cheerleaders

In the windswept stadium — in the stuffy gymnasium, anywhere that school spirit is born, there we find our cheerleaders. Though often a career that is filled with glory, can anyone forget the Miami High game; torrential downpours carrying our last hopes for victory and our fast-diminishing Rah-Rah spirit down the drain? And through it all, our cheerleaders, trying vainly to wrest a cheer from emptying stands? Where was their glory then? Perhaps here we can give proper thanks for a job well done.

Above, standing: Shirley Anderson, Linda Rollins, Ann Brinson, Jeani Kitchens, Cathy O'Brien, Sondra Welch. Kneeling: Donia Clarke, Nephie Bosque, Carolyn Shafer, Jo Rutan.

Intramural Sports

Physical Education classes provide the student with the necessary activity for a healthy mind and body. Girls may enjoy such sports as golf, field hockey, soccer, softball, basketball, modern dance and precision drill. Intramural sports, played against other high school teams in the city, give the girls a chance to test their ability in true competition.

Boys Physical Education includes football, baseball, basketball, gymnastics and a variety of other minor sports. An extensive Intramural program is carried on, in which squads are coached by lettermen from the football team.

1. What, girls? No hag drag tonight?
2. Get moving, you're spoiling a good thing.
3. Happiness prevaileth, no?
4. How does Gerber rate?
5. That one didn't GET away, huh Hanly?
6. . . . Schultz runs 90 yards and scores.
7. Anyone want a hot calendar.

9. Get that look out of your eye, Wooldridge.

To become a member of N.H.S. one must be at least of junior standing, maintained a "B" average since their sophomore year and be approved by the faculty and club members.

This spring the members sold Senior Class pins and attended the state convention in Daytona Beach where Jack Held was acting vice-president.

SPANISH NATIONAL HONOR SOCIETY

The S.N.H.S. chapter of our school, which has greatly expanded in its three years of existence, has taken in many more interested members in the past year.

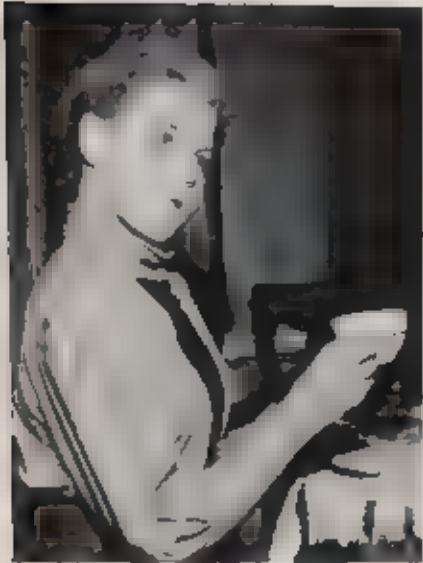

Innovations have been made with startling results. The carnation sale was successfully completed for the homecoming game, and the Pan-American Day program was greatly enlarged during Pan-American week. A new project, consisting of contacting all Latin-American students here, is expected to have far-reaching results in promoting good relations between North and South Americans.

Thespians

For those who have a fair for the theater, greasepaint in their blood and are hams at heart, National Thespian Society represents the supreme achievement of work well done in high school dramatic arts.

1954 marks the twenty-fifth year of Thespian history. Troupe 476 of Coral Gables sponsors two three-act plays, participates in a drama festival and awards at the end of each year a trophy to the best actor and actress.

Membership is not easily won, and work is hard competition keen. It is with great pride and distinction that each Thespian wears the eternal emblem of the theater, the comedy and tragedy masks, as the silver pin of National Thespian Society.

Composed of approximately 50 girls, Cavaliettes performed snappy military drills at all football games including those out of town. In addition, the girls attended other athletic events to promote school spirit.

The annual Cavaliette Sweetheart Dance in October is an important social event and is eagerly awaited by the student body.

9TH GRADE CHORUS

Chorus

The performances of the various choruses, directed by Miss Dorothy Brindle, have been a credit to our school. Approximately 350 students enrolled in the vocal department comprise the five different groups; boys' chorus, advanced and beginners' girls' chorus, mixed chorus, and the specialized group of Choraliers. Through participation in these groups, students develop their talent and appreciation of music.

Ensembles and soloists perform at various important functions of the year.

Several times each year all organizations join to promote one project, and, through Inter-Club Council, unity, harmony, and benefits are achieved for everyone participating.

Diversified Co-Operative Training

DCT stands for Diversified Cooperative Training, but it could very well be, "Do Consider This." This course in our school is tailor-made to meet the needs of the many boys and girls who know what they want to make their career and are ready to begin training for it. It is the only course offered in high school in which the student learns by doing under actual working conditions. The business establishments of the city are his laboratory.

The graduates from DCT have the additional recommendation, "experienced employee" when they look for a job.

Oh yes! he is paid for his work. The DCT slogan is, "Earn while you learn."

The club's main function is to improve the library service of the School. It also enables representatives of the student body to take an active part in the administration of the library.

This club is open to any individual working in the three libraries. An active interest in the club's purpose, ability to work for the club and in the library, and scholastic achievements are the basic requirements for membership in the club.

Student Council Cabinet

The Student Council Cabinet is the executive body of the Student Council. It is their duty to guide and direct the Council. Whenever a problem arises, they are the ones who must undertake to find the solution.

The various committees and chairmen were placed under cabinet members. The people who served on these posts, although they received little recognition, proved invaluable to the Student Council.

The officers and cabinet of both semesters contributed greatly to the success and development of this year's student council. We salute them for a job well done.

Book covers bearing the picture and seal were sold, as were attractive crimson and gray "G" pins. Other activities included: supervising the school calendar and bulletin boards, supplying new students with "I.D." cards, maintaining a lost-and-found, changing

bills in the cafeteria, regulating hall and cafeteria traffic, providing the student body with a postage stamp machine, and conducting assemblies. Cabinet and council pins appeared for the first time, and the student handbook was revised for 1954-56.

Modern Dance

The modern dance club is composed of forty girls who are interested and receptive to rhythmic activities. The club originally began at Ponce in 1948. Dance techniques are studies which develop the body so that it may be used as a medium of expression. Much time is spent in giving the girls opportunities for creative activities and the development of movement fundamentals.

The dance activities for 1953 were many in programs presented throughout the state for various meetings and shows. Modern Dance is rapidly gaining recognition and esteem as an organization which encourages poetic movement of the body as a skill.

National Athletic Scholarship Society

The National Athletic Scholarship Society was founded in 1925 by a group of high school principals who felt that such an organization would encourage better scholarship, better sportsmanship and better citizenship among high school athletes.

Boys are eligible who have earned varsity letters in either major or minor sports and whose scholarship for three consecutive semesters is higher than the general average.

With the sky-rocketing of our enrollment there has been a greater demand than ever for more service clubs on campus. It is felt that our numerous clubs provide stimuli for both leadership and a stronger sense of civic pride. These two facts have been proved and are forever in evidence as our eight girls clubs and five boys clubs continue to seek more community and school projects for the community's betterment. The more clubs, the better the opportunity for our students to participate in the wide-spread curriculum.

Three boys clubs made their debut this year, they are: XC., L club, and Crescent club, and Anchor and Trilon are the latest addition to the girls clubs.
